Parking

Adequate off street parking is available. Enter main driveway of Padua College from Turner Rd and proceed for about 100metres. Car park is on left hand side. Disabled parking available.

If coming from the city along Gympie Rd, turn left into either Broughton Rd or Somerset Rd. If coming from the north down Gympie Rd, turn into Strathmore St (Hungry Jacks and KFC on the corner) as you cannot turn right into Broughton or Somerset Rds. Once in Strathmore St turn left at the first roundabout into Turner Rd.

You will see a large cream coloured Spanish style building and the driveway and car park runs to the left hand side of it. Signs will be posted to the Bonaventure Centre which is the next building across from St Francis Hall (Spanish style Building).
